Greetings From Danville!

First we at Danville want to thank you for your continued support spiritual and monetarily. Spirits are high here and things seem much better.

I still have one good bible study, Charlie Blackwelder participates in it as well, he is a good teacher. The young lady was studying with first did obey the Gospel, but her husband has problems though I believe he will come around but will take more time; they also have a son of 9 years.

I have been doing a lot of visiting with those who have left for no real reason and went to congregations in Gainesville and other places though getting them back is a difficult task, mostly because they have a lack of commitment to the Lord's work. Then there are those who have gone back into the world. We pray for them continually and always keep doors open for them to repent and return.

Our attendance averages 15 with regular visitors.

Again I thank you for your support that the work here may continue.

Yours in His cause;

Ron Eppler
