To the Trenton Church of Christ:

EVANGELISM

Trey Harper has recently started an ongoing email study with a friend, and he was gracious enough to go over the study with me on June 6th after evening service. The study was very helpful for both of us, and helped him clarify the way he wants to proceed with the study.

Cheryl voluntarily came to our house to speak with Heather for awhile, and attended worship on the 6th. We are continuing to pray for her and have contact with her in the hopes she will make her intentions known to fully commit to Christ. She has been attending since late May on most Sunday mornings and evenings.

On June 30th Joe V. Walker, who has been visiting periodically with the congregation since before I arrived, repented and committed himself to Jesus. Due to doubts about his understandings when he was baptized as a youth he also was baptized again for the remission of his sins, and is now numbered among us at the Church of Christ at Wakulla. His wife Molly repented and committed herself to Jesus on June 27th at the Centerville Road Church of Christ in Tallahassee. The family had been attending at Centerville Road when they left the church and this where Molly is now a member at this time. Their son Will who has not been baptized along with their youngest daughter Amy who was baptized at Wakulla in March, attend with Molly. We rejoice, and ask you to rejoice with us for their returning to Christ, and beginning again to walk towards a more faithful and spiritual life. Also, Stuart Smith was baptized July 7th, and he and Melissa Walker are planning their wedding ceremony for July 24th.

We recently had a couple visit from Tallahassee who left an email address on their visitors card, and I have emailed them twice without receiving any response. Most of the other visitors are known to the congregation including two who are not Christians, two children, and two Christians whom I hope will place membership with us.

EDIFICATION

Steve has been unable to teach the Wednesday night class on prayer this month due to increased pain from a worsening injury from when he broke his leg a couple of years ago. He had surgery the 9th, and though suffering a lot of pain his recovery is on schedule. David taught the class the 16th and 23rd, but he had to travel with his work. I taught the class on the 2nd and Trey taught on the 30th.

Trey also preached both services on Sunday the 27th in my absence, and covered 1 Thessalonians 5. He also taught the Sunday morning class on Restoration of Souls and covered 2 Corinthians 7: 6-12.

“Then Jesus said to the twelve, “Do you also want to go away?” But Simon Peter answered Him, “Lord, to whom shall we go? You have the words of eternal life. Also we have come to believe and know that You are the Christ, the Son of the living God.”

PERSONAL

I was able to join my family for the first 12 days of a long vacation. We left June 21st and arrived at the Woodall family cabin on Lake Huron in Tawas, MI June 23rd. This was a very relaxing time with my family, but also a time for study, reflection and prayer. We attended with the Christians in Bay City Sunday morning (an hour and half drive), and this group with some years of history is very small. It just reminded me again of the struggles the kingdom endures in many places. I flew back on the 2nd, and my first flight afforded me a conversation with a pastor and a seeker placed between us. His home is in Flint, MI, and he gave me his card. I emailed him, but I did not get a response. I will continue sowing the seed in hopes of God's increase, and I am thankful for your fellowship in these efforts.
